BOROUGH OF JEFFERSON HILLS, PENNSYLVANIA

Changing how residents are billed? Answer their questions before they ask.

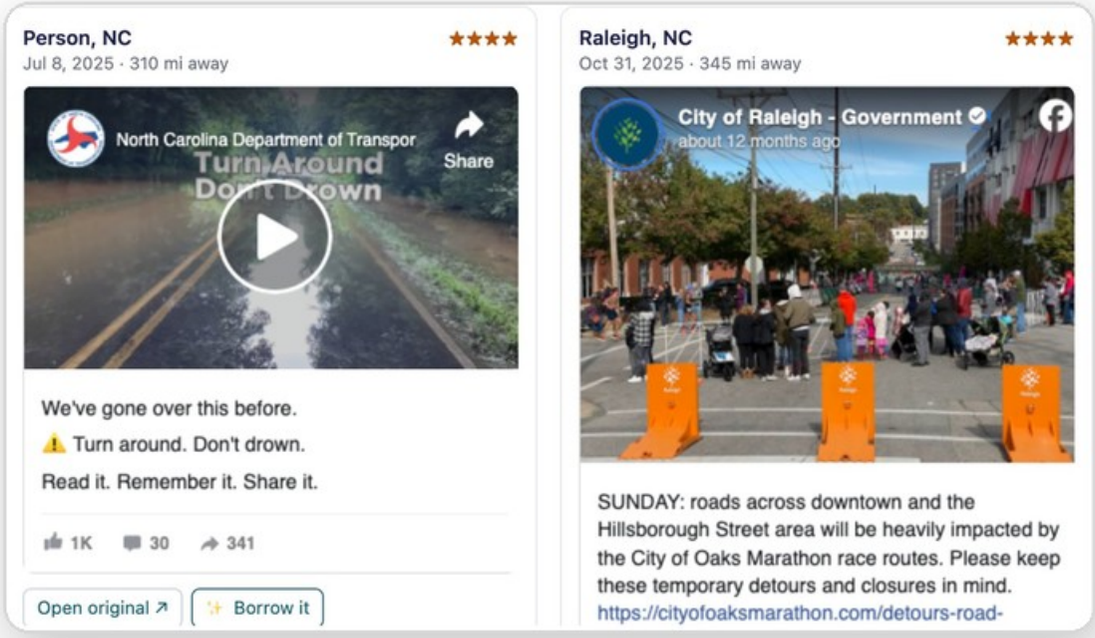

Beginning in 2027, the Borough's garbage fee will be included on the real estate tax bill issued by Jordan Tax Service instead of being billed through Legal Tax Service.

We understand residents may be wondering why the Borough is making this change without lowering the garbage rate. The change allows the Borough to reduce its administrative costs while continuing the existing trash collection service. The 2027 garbage rate increase is part of the existing garbage contract and would have occurred regardless of the billing change.
