

FROM THIS WEEK'S FEEDS

Three posts nobody required them to write.

No closure. No deadline. No meeting notice. Just a government paying attention — and getting paid back for it.

DAVIDSON · NORTH CAROLINA

They looked up.

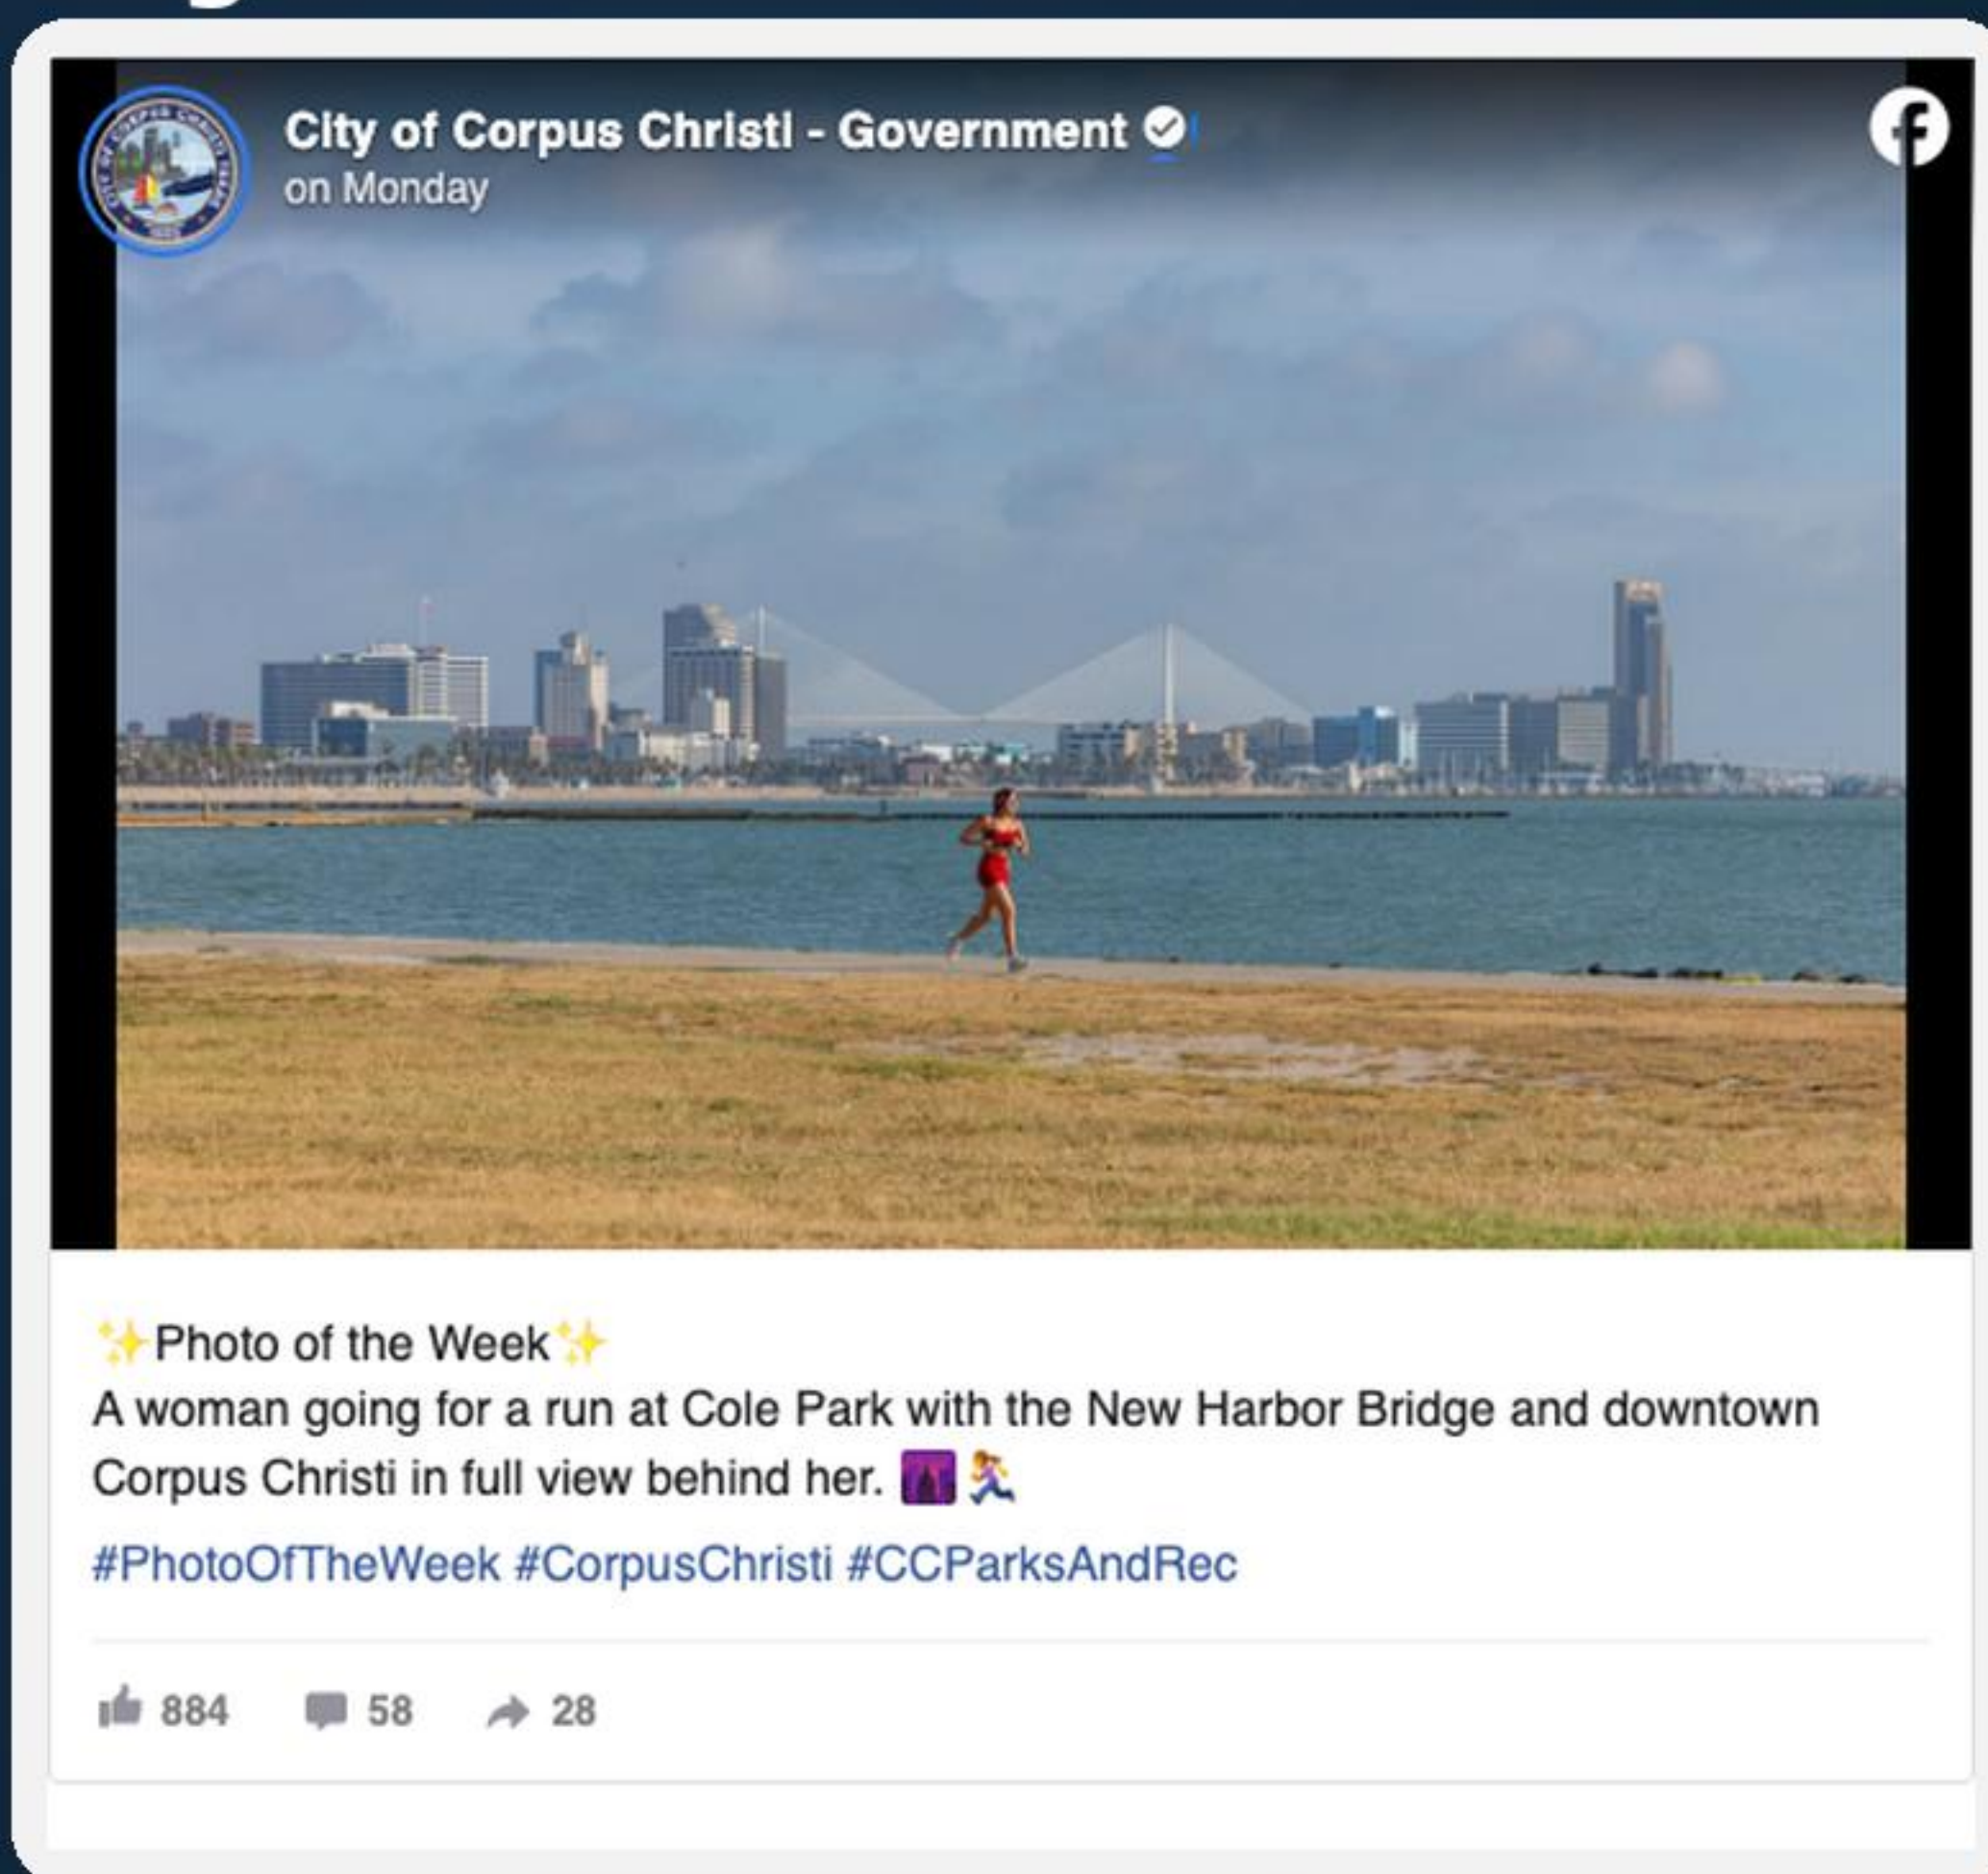

WHY IT WORKS

The fire department caught a SpaceX Falcon 9 over Station #2 at 5:40 a.m. 543 reactions, 67 shares.

CORPUS CHRISTI · TEXAS

They made it a habit.

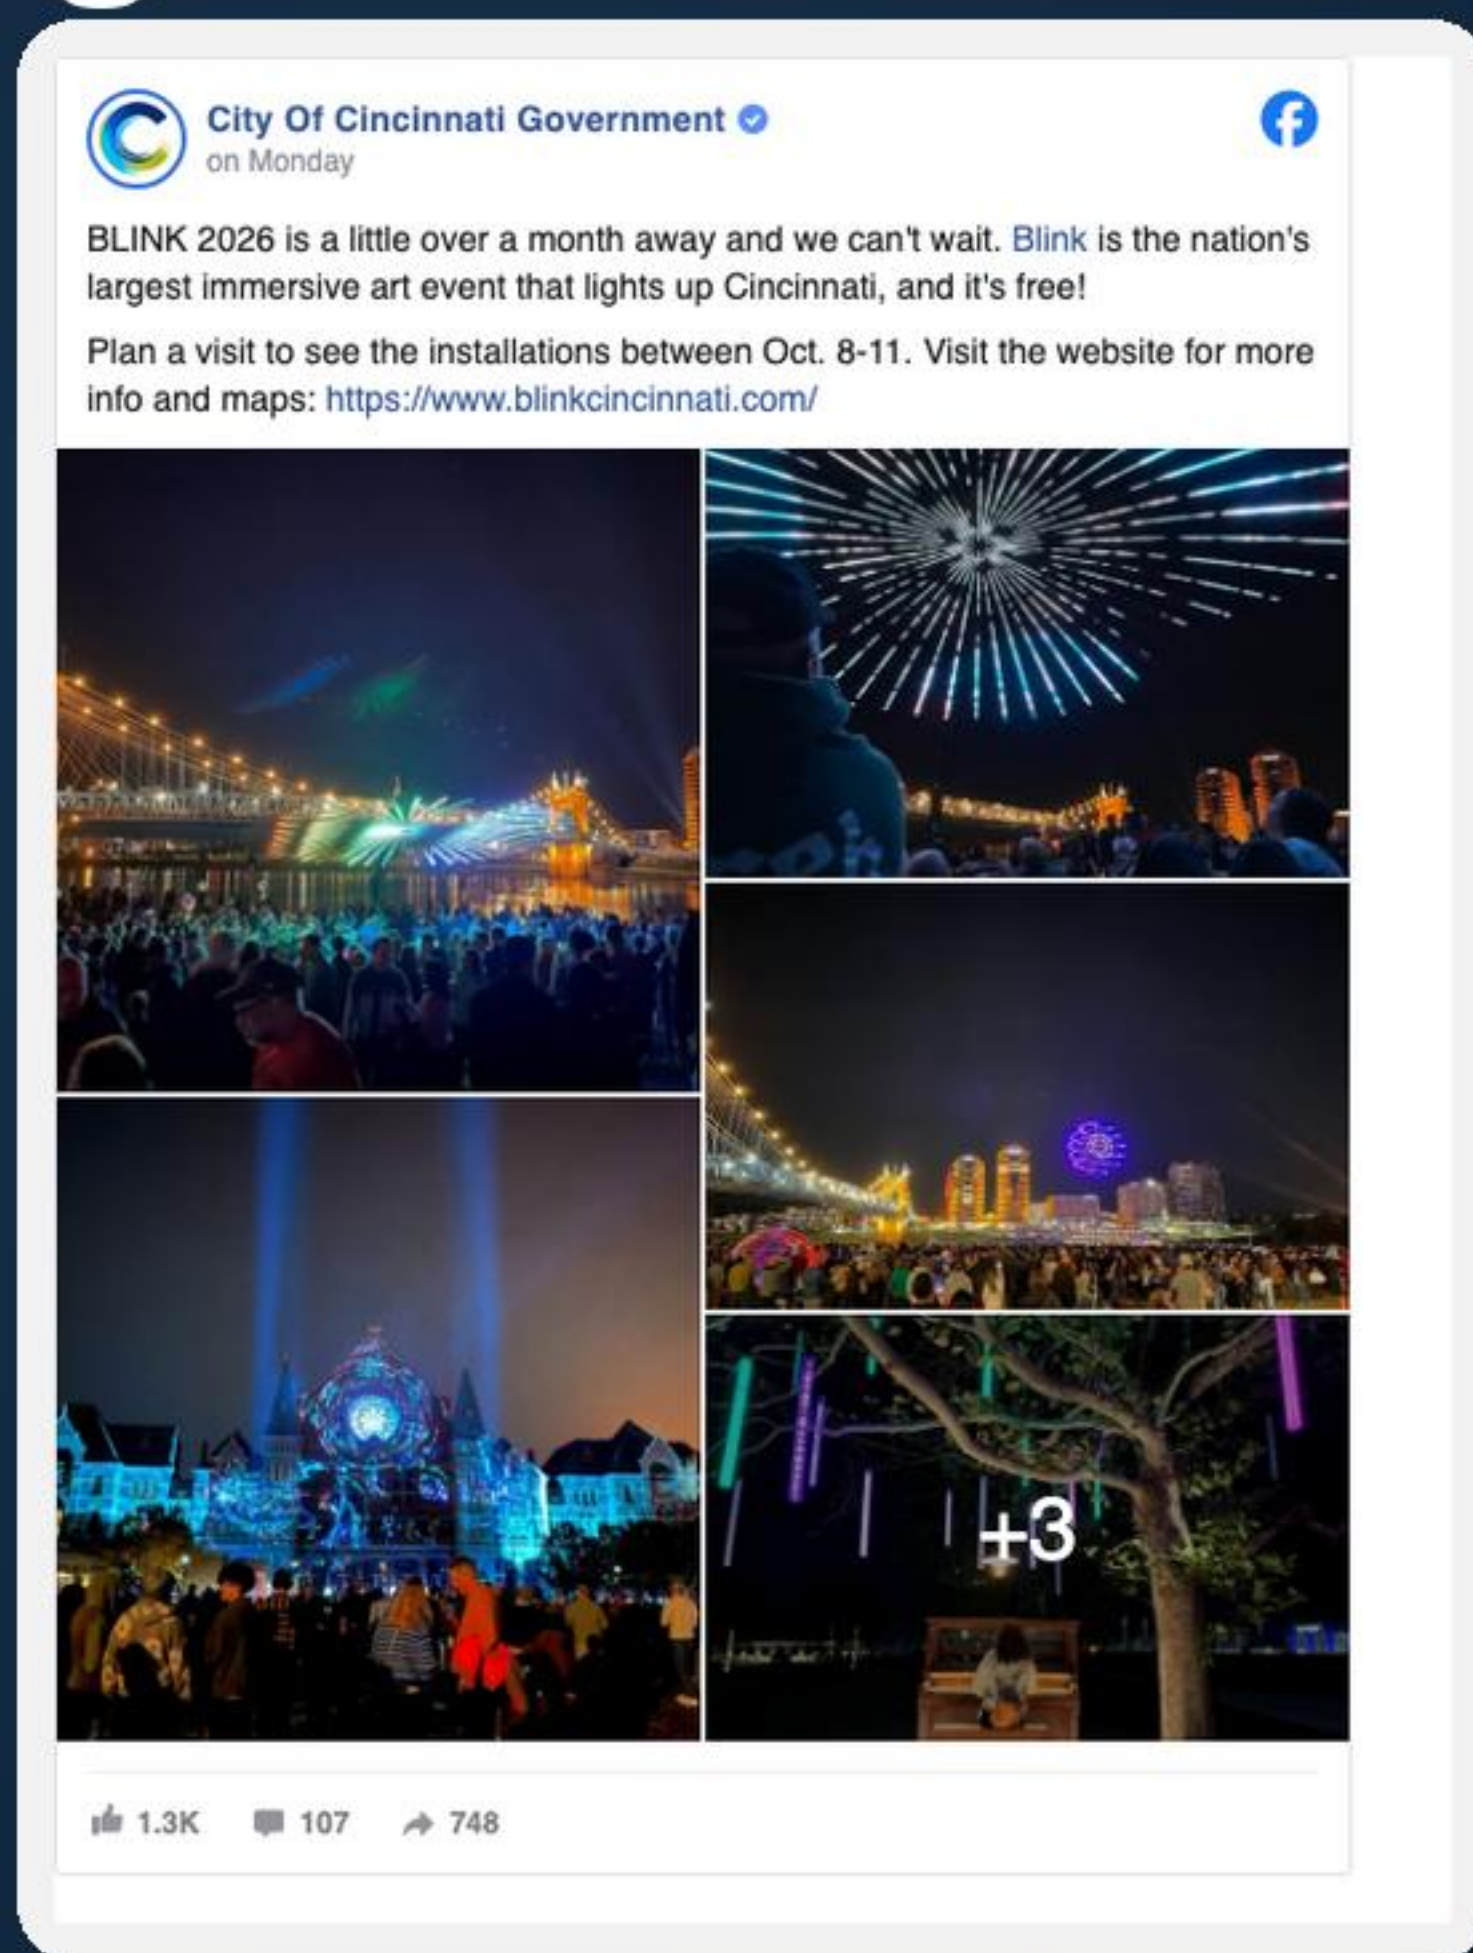

WHY IT WORKS

“Photo of the Week” — a runner at Cole Park, the new harbor bridge behind her. 884 reactions.

CINCINNATI · OHIO

They got excited early.

WHY IT WORKS

BLINK is still a month out — “and it's free.”
1,300 reactions and 748 shares, before it
even starts.

THE POINT

Your feed isn't only a bulletin board.

The required posts — closures, agendas, deadlines — are the job. But the optional ones are what make residents glad they follow you, so the required ones get seen at all.
