Inviting residents inside the police department

Citizens police academies are recruiting for 2027. Two posts that make the invitation easy to say yes to.

SAY WHAT THEY'LL GET

Austin Police Department, Texas

Austin opens with questions residents already wonder about, like how detectives investigate cases, and a graphic that lays out what the academy covers.

MAKE IT EASY TO APPLY

Neenah Police Department, Wisconsin

Neenah gives the essentials up front: free, 10 weeks, Tuesday nights, with a QR code and a link to apply, and photos from past classes.

BORROW THESE

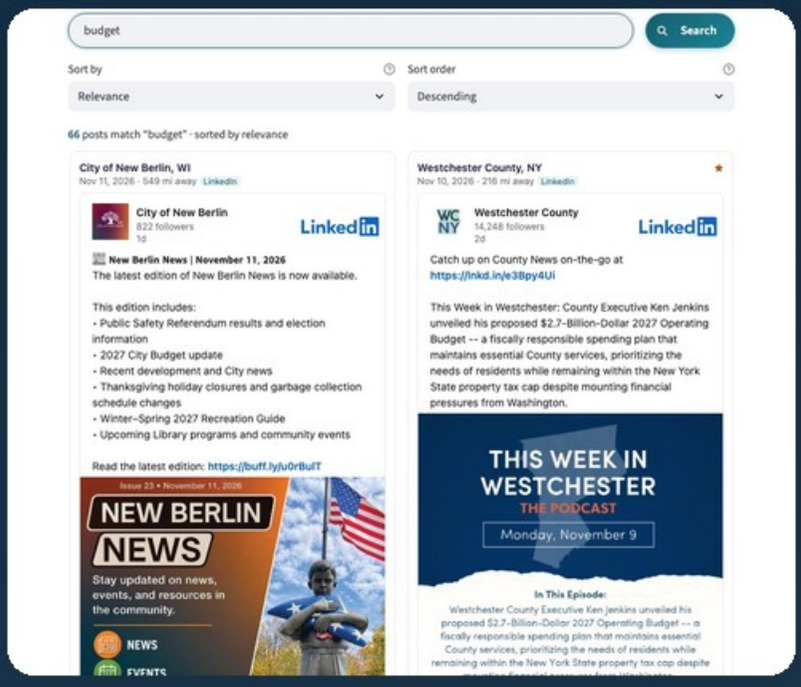

What makes the invitation work

1. **Lead with curiosity.**
   Ask the question residents already have.
2. **Give the basics.**
   Cost, length, night of the week.
3. **Show past classes.**
   Real residents, not a stock photo.
4. **One clear way to apply.**
   A link or a QR code, and a deadline.
