

MEASURED · U.S. LOCAL GOVERNMENT

**Video is 4%
of what you post.
It should be
a lot more.**

It out-earns everything else 2-to-1 — and
here's exactly what to point the camera
at.

MEDIAN REACTIONS PER POST

Video

Everything else

More than double, on the median. On the average it's wider still — 62 vs 26. And video is just 4% of what governments post: the single most under-used lever in local-gov social.

1

35

Film public safety.

K-9 demos, ride-alongs, a National Night Out walk-through. Public-safety video earns a median 35 reactions — nearly 4× the same department's non-video posts.

3

27

Film your events.

The parade, the festival, the ribbon-cutting. Event video earns 27, and it doubles as next year's promo. You were going anyway — bring the phone.

THE ONLY GEAR YOU NEED

A phone.
30 seconds.
Post it vertical.

No studio, no edit suite, no script. The bar is “show me the thing,” not “make a commercial.” Try one this week.
